

REMARKS

Reconsideration of this application, in view of the following remarks and above amendments, is respectfully requested.

Claims 1-17 are currently pending in the present application. As indicated above, Claims 6 and 11-13 have been amended. It is gratefully acknowledged that the Examiner has again allowed Claims 14-17, has again found allowable subject matter in Claims 11 and 12, and has allowed Claims 1-5.

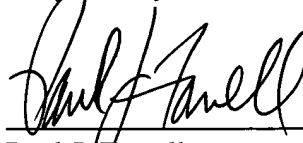

In the Office Action, the Examiner has rejected Claims 6 and 7 under 35 U.S.C. § 103(a) as being unpatentable over *Thakker* (U.S. 6,487,602 B1), Claims 8, 10, and 13 under 35 U.S.C. § 103(a) as being unpatentable over *Thakker* in view of *Fryer* (U.S. 6,233,428 B1), and Claim 9 under 35 U.S.C. § 103(a) as being unpatentable over *Thakker* in view of *Lappenbusch et al.* (U.S. 5,982,298).

As indicated above, the Examiner has rejected independent Claim 6 under 35 U.S.C. § 103(a) as being unpatentable over *Thakker*. However, in order to distinguish Claim 6 from the Examiner's cited art, as shown above, Claim 6 has been amended to recite that "the multimedia information transmitted from the web server via the Internet is stored in a server of a mobile switching center, and is then wirelessly transmitted to the mobile communication terminal". It is respectfully submitted that amended independent Claim 6 is patentably distinct from *Thakker*, and it is respectfully requested that the rejection be withdrawn.

Without conceding the patentability of dependent Claims 7-13, they are believed to be patentable over the Examiner's cited art, based on their respective dependency from independent Claim 6.

In view of the preceding amendments and remarks, it is respectfully submitted that all pending claims, namely Claims 1-17 are in condition for allowance. Should the Examiner believe that a telephone conference or personal interview would facilitate resolution of any remaining matters, the Examiner may contact Applicants' attorney at the number given below.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read "Paul J. Farrell", is written over a horizontal line.
